

YEAR ONE & FIVE 'WONDER DOME' PLANETERIUM EXPERIENCE

Objectives

Eastlands Primary School has a strong commitment to the added value of learning beyond the usual school day. At Eastlands we want to provide the children with meaningful and memorable experiences during their time at school.

Year One:

This term Year One have enjoyed learning about famous explorers including Neil Armstrong! We have loved learning about his journey to space and what it would be like to be an astronaut. We have looked at what life is like on the international space station and how astronauts train.

Year Five:

Year Five have also learnt about Light, Earth and Space this year. The Planetarium workshop will allow us to revisit our learning about the movement of the Earth, Moon and other planets around the sun.

We have decided to join together in our learning and experience a Planetarium at school!

Basic information

Date: Thursday 2nd July

Itinerary: Each class will experience a session in the Planetarium tailored to the learning they have done in class.

Consent/payment

- Please can the payment of **£9.00** be made through Parent Pay accounts by Friday 26th June.
- Unfortunately, if we do not receive sufficient contributions towards the cost of this experience, it will have to be cancelled.
- Please speak to your class teacher if you have any questions.
