

Spooky Disco

Hi All,

We wanted to take this opportunity to say hello from the Parent Staff Association (PSA) following the recent AGM, where the committee was re-elected.

Our first event of the school year is our Spooky Disco, which is coming up on the last Thursday of this half term. 🎃

Tickets will be sold through our online platform, with the link being sent out via School Gateway, one year group at a time.

A little note about ordering tickets

When purchasing your tickets, please add the ticket to your basket and make sure you write your **child's name** in the **"Message to Merchant"** box.

We process all tickets manually, and there are just two of us managing the inbox. It takes a considerable amount of extra time when we have to contact parents individually to find out which child a ticket belongs to, so please do remember to add their name when ordering.

If you realise that you haven't included your child's name, don't worry! Please email us with your ticket number, which will be included in your confirmation email and will look like **#1234**.

Nursery, Reception & SEND

If your child is in Nursery or Reception, or has Special Educational Needs, an adult will need to remain with them during the disco. Please make sure you purchase the ticket that reflects your particular situation.

Allergies

If your child has an allergy, please purchase the allergy ticket when ordering. This allows us to be mindful of their needs both during the preparation for the event and while the disco is taking place.

We are a **nut-free school**, and all food sold at the disco will be nut-free.

Cost

Tickets are **£2 per child**.

We also recommend bringing **£3 per child** for the tuck shop and lucky dip.

We hope the children have a fantastic time and we're looking forward to seeing lots of spooky faces at the disco! 🎃

If you have any questions, please don't hesitate to contact us at:
